

# Technical Specifications

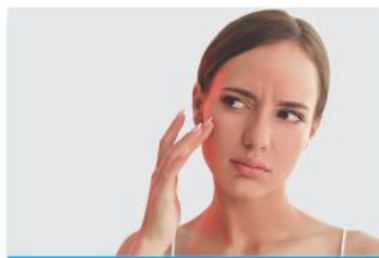

Parameters	AutoSoft-1	AutoSoft-2	AutoSoft-3	AutoSoft-6
<b>Water Flow</b>	1000 l/hr	2000 l/hr	3000 l/hr	6000 l/1.5hr
<b>Dimension (DxWxH)</b>	330 x 470 x 660(mm)	330 x 470 x 1100(mm)	Area Occupied 4 X 5 Ft	Area Occupied 4 X 5 Ft
<b>Inlet water pressure</b>	1.5 to 3.5 kg/cm2	1.5 to 3.5 kg/cm2	1.5 to 3.5 kg/cm2	1.5 to 3.5 kg/cm2
<b>Inlet Max Hardness (As Caco3)</b>	800 ppm (parts per milion)	800 ppm (parts per milion)	800 ppm (parts per milion)	800 ppm (parts per million)
<b>Treated Water Hardness (As Caco3)</b>	<50 ppm	<50 ppm	<50 ppm	<50 ppm
<b>Inlet/Outlet connection Size</b>	1 inch	1 inch	1 inch	1 inch
<b>Drain Line</b>	0.5 inch	0.5 inch	0.5 inch	0.5 inch
<b>Electric Supply</b>	230 V AC/6 amp - 1 point Electric	230 V AC/6 amp - 1 point Electric	230 V AC/6 amp = 2 Points Electric	230 V AC/6 amp = 2 Points Electric
<b>Treated Water Output at 500 ppm</b>	800 litres	1700 litres	4500 litres	9000 litres
<b>Salt Capacity</b>	20 kg	40 kg	200 kg	200 kg
<b>Purple Resin Quantity</b>	12.5 litres	25 litres	45 litres	90 litres
<b>Installation Footprint</b>	Table top	Table top	Area Occupied 4 X 5 Ft	Area Occupied 4 X 5 Ft
<b>Softener Vessels</b>	Included	Included	Composite Filament Wound Resin Vessel and HDPE Brine Tank	Composite Filament Wound Resin Vessel and HDPE Brine Tank
<b>Process Valve</b>	Fully Automatic Programmable	Fully Automatic Programmable	Fully Automatic Programmable	Fully Automatic Programmable
<b>Regeneration Pump</b>	Not Applicable	Not Applicable	Self Priming Pump (With Inbuild NRV)	Self Priming Pump (With Inbuild NRV)
<b>Salt per Recharge in kgs</b>	2	4	7	14

## Benefits of Soft Water

### Keep your sanitary ware shining always.

AutoSoft makes water soft by reducing hardness causing minerals from water, thus keeping your bathroom fittings and ppliances corrosion-free.

### Skin Damage? The reason could be water!

AutoSoft makes water soft by reducing hardness causing minerals from water, thus making it safe for your skin.

### Losing hair? The reason could be water!

AutoSoft makes water soft by reducing hardness causing minerals from water, thus making it safe for your hair.

# Keep your hair and skin healthy always

AutoSoft makes water soft by reducing hardness causing minerals from water, thus making it safe for your hair, skin, bathroom fitting and appliances.

AutoSOFT 1

AutoSOFT 2

AutoSOFT 3 & 6
